

URGENT!!

DO YOU HAVE A BIT TO GIVE ?

4" to 5" Snaffle bits are desperately needed to help alleviate the suffering of Gambian horses and donkeys.

Senegalese bits (above) are the cause of the horrific tongue injuries shown in these photos

If you have any old or unused bits laying around, please donate to prevent these horrific injuries.

If you don't have any bits, a donation of £5 will enable us to buy a snaffle bit.

Please send any donations to:

Gambia Horse and Donkey Trust
Bewery Arms Cottage,
Stane Street,
Ockley,
Surrey.
